

Responsible Contractors

Connecting Consumers with Qualified Contractors

PO Box 287 * Milton, WA 98354 * 253.891.1397

Newsletter – February 2015

Our consumer friendly directory is founded on the belief that consumers should not have to pay a fee or provide their personal information to find qualified contractors. We appreciate everyone's continued support for ResponsibleContractors.com. Please continue to share our unique service with your clients, family and friends.

Company News

It's that time of year when we wish and dream. If you are thinking of improving or remodeling your home in the coming year, home and garden shows are a great source of ideas and a chance to meet potential contractors in person. Check out these Upcoming Shows:

February 14 - 22, 2015 - [Seattle Home Show](#)

CenturyLink Field Event Center - 1000 Occidental Avenue South, Seattle WA

Tickets: <https://secure.interactiveticketing.com/b/a6f3c8>

You view all the shows we are participating in at: http://www.responsiblecontractors.com/home_shows.html
Please feel free to contact us about any show you would like to see listed.

Thank you to [Minuteman Press](#) for sponsoring our newsletter and offering such a great discount to our readers!

Home Improvement Tips

If a kitchen remodel has been on your wish list this year, one of the biggest decisions you will be making is choosing a countertop. Practical, simple, visually stunning, and extravagant: There are many options available to you! This is a fun and exciting process, and knowing what choices you have will provide a groundwork, and allow you to make the best choice for your kitchen!! Some options in countertops include:

- Manufactured Quartz - Durable and low maintenance
- Granite – Low porosity, easy to clean
- Concrete – Versatile, durable, but highly porous

If you would like to catch up on previous newsletters or read up on some great home improvement tips, we've added a [Newsletters/ Blogs](#) page to our website in case you've missed any of our newsletters or tips on our informative blogs.

This Month's Featured Contractors

[Mountain View Pumps & Filtration, Inc.](#) offers the best in water pumps, water filtration, purification, and water treatment supplies. Enjoy fresh, pure water in your home with their water filters, water treatment supplies, equipment and accessories. They have everything you need to complete your water well pump installation.

We needed an entire new water filtration and water pump system. The price was very fair, but more importantly, I was very comfortable having them in my home. Very personable and easy to work with. ~ Debra, Graham WA

At [Chase Construction NW Inc.](#), the three primary foundation stones of their business are integrity, quality, and expertise. Chase Construction is dedicated to 'Doing it right, the first time'. Chase Construction will provide the very best in quality tradesmen and craftsmen as well as top quality product material lines for your particular project whether it be from roofing to windows, siding, bath and kitchen remodels - this is where you belong.

The customer service along with the price, quality of materials and workmanship hands down beats everybody I talked to. ~ Blythe - Federal Way WA

[Millworks Custom Sheds](#) offers sheds of every kind for every need. Their playhouses, garden and storage sheds are hand-built and unique in character. If you have an idea, they can bring it to life for you. Each shed or playhouse is an original work of art that's sure to add charm to your landscape.

We love the playhouse/lookout you built for our grandchildren. I cannot get over the construction and the quality of the materials you used (I guess it makes a difference when you produce it yourself). It is unlike any other product I have seen on the market. It is certainly the "leader of the market." ~ Marshall, Fox Island

Responsible Contractors Welcomes...

[West Seattle Natural Energy](#) - Solar energy is not just their business, but also their passion. With over four years in the solar industry and 30 plus years in general construction, West Seattle Natural Energy has the expertise to help you with your individual needs. They take pride in their ability to think outside the box when considering design options, while maintaining the highest quality products and workmanship.

So glad West Seattle Natural Energy installed our solar voltaic energy system. They went above and beyond what I ever expected. They were on time and on budget, finishing in just two days. They were very thorough, making sure everything worked exactly as it should and followed up afterwards to make sure everything was still working properly. Really nice people to work with. System works as promised. I couldn't be happier. ~ Chris, West Seattle WA

[Arlie's Home Restorations](#) – Transform your home from Drab to Fab! For professional painting and drywall services, Arlie's Home Restorations offers superb craftsmanship and a dedication to customer satisfaction. Their projects range from small residential to new home construction to commercial renovations, all at a competitive price. When you want on time performance, excellent workmanship, on-budget and on-schedule, you want Arlie's Home Restorations.

Arlie has done painting, drywall, weatherization, decking, windows, doors and a variety of other projects for me. He knows what he is doing, does it in a good time frame and doesn't have to be called back. Not only does he do good work, but he's honest and a good communicator. He's very knowledgeable and is clear about what to you can expect. ~ Adam, Des Moines, WA

[Concrete Etc. Inc.](#) – A clean, well-built driveway, parking lot, or sidewalk is the first thing people entering your property will see. Get the curb appeal you've always wanted. They love turning people's homes into something special. Take advantage of their 30 years of experience for your all concrete needs.

Top notch professional work. They have done multiple projects for us including removing and building new garage, concrete driveway, concrete steps and even a concrete parking garage. They watch the details and don't miss stuff. The inspectors loved them. Everything is always well coordinated and the pricing is fair. On top of that, they are very nice people to work with. ~ Gary, North Tacoma

[CertaPro Painters of Tacoma](#) is pleased to provide the best painting services to their customers. Their painters specialize in both residential and commercial painting services. Whether your project is big or small, their trained painters can take care of all your house painting needs. They strive to build long-lasting relationships with their customers who seek lasting value, affordable pricing, and an overall positive experience. They pride themselves on maintaining the highest of standards by meticulously paying attention to the details.

I really appreciate their attention to detail. They have done two projects for me - a house and my office building. The projects included taping, texturing and painting. Someone was always there to supervise to make sure everything was done right. They were willing to work around my schedule and stay late to finish the job. I was totally comfortable having them in my home. They are very trustworthy and honest. The CertaPro crew did outstanding quality work - the best I've seen in a long time. ~ Beverly, University Place WA

[PipePro Plumbing LLC](#) - Expert knowledge and quick response is vital in the world of plumbing. Because no one decides when they have a plumbing problem, Pipe Pro Plumbing LLC. is at your service day or night with experienced technicians on-call 24/7. Residential or commercial, from routine plumbing maintenance to burst pipes to full remodels, they pride themselves on fast, friendly service and a job done right the first time.

Does a great job. I have been using him for over 10 years and never have to call him back. When it comes to plumbers, he has been my ace in the hole. Whether it's replacing a water heater, finding and repairing a leak, or anything else I've needed, he just does amazing work. ~ Steve, Fife WA
