## Featured Contractors

---

[Assisted Custom Construction \(A.C.C.\) Custom Homes](#) provides people with custom homes, tailoring the design and construction to individual needs and preferences. With over 30 years of experience, A.C.C. builders offer the opportunity for homeowner's to participate in crafting their own dream homes.

Craig Romney recommends A.C.C. Custom Homes, saying: *"A.C.C. Custom Homes maintains the standard of the true craftsman. I have built two homes and one remodel with this company. They are real professionals. A.C.C. Custom Homes would be my only choice."*

[Ranger Tree Experts, Inc.](#) use the best equipment to remove trees and clear land safely and efficiently. Ranger Tree Experts have the experience and skill to take down trees to prevent damage to yourself or your home. Call in the professionals for your land clearing needs!

Canterwood Golf Course Superintendant says: *"Managing a golf course with over 4000 trees in a housing community with another 5000 trees can be a daunting task for anyone. Ranger Tree Expert has been my only choice since 1998 and will continue to be my selection. The quality and quantity of work at the price they deliver is unsurpassable. Just as important is the expertise that comes with the service. Micah Glastetter is extremely knowledgeable and genuinely concerned about the health of the trees. In my 20 years in this industry I have found no one better. Don't hesitate when it comes to Ranger Tree Expert."*

[Millworks Custom Sheds](#) crafts hand-built sheds for a variety of needs, including playhouses, garden sheds, and storage sheds, that are both beautiful and functional. Millworks builds all of its sheds from recycled materials and uses trees from local sustainable forest operations.

S. Marshall was impressed with the playhouse Millworks produced for his grandchildren: *"We love the playhouse/lookout you built for our grandchildren. I cannot get over the construction and the quality of the materials you used (I guess it makes a difference when you produce it yourself). It is unlike any other product I have seen on the market. It is certainly the 'leader of the market.'"*

## Contractor Testimonials for *Responsible Contractors*

---

Contractors who list with us get results, including increased profitability and expanding their exposure to target markets both online and in-person.

*“Responsible Contractors has been a great way for our company to gain public exposure both by word of mouth and by search engine optimization. We have had a number of great business leads and we are extremely impressed with the enthusiasm Nikeyla exhibits with regards to helping our business grow.”*

~ Michelle Luna - MyPhd Services

*“Thank you so much for helping my company to grow. Your contractors’ website – Responsible Contractors - was my first web presence and I’ve gotten 2 nice remodeling jobs from it. I’m looking forward to many years of working with you to help your web business and my construction business achieve our goals. I will be letting my all of my subcontractors know how happy I am that I signed up to be a part of Responsible Contractors.”*

~ Chris Wise - RCW Construction
